GINN GUILTY
Sentenced To Prison For Life For Killing His Wife

The Jury in the Criminal Court at Louisville Thursday in the case of W. H. Ginn, charged with the murder of his wife, Frances Ginn, returned a verdict of guilty and fixed his punishment at lifetime in the Penitentiary.
Ginn was charged with shooting his wife to death on October 1st of last year, afterward shooting himself in the mouth.
Frances Ginn was 24 years of age and the second wife of the accused. She was the daughter of Mr. Frank Goodwin of this city, and after the tragedy her remains were brought here for burial.
Jealousy was given as the cause of the murder, and at his trial Ginn's defense was temporary insanity.

WHEN HER BACK ACHES.

A Woman Finds All Her Energy and Ambition Slipping Away.

Maysville women know how the aches and pains that come when the kidneys fail, to make life a burden. Backache, hip pains, headaches, dizzy spells, distressing urinary troubles, all tell of sick kidneys and warn you of the stealthy approach of diabetes, dropsy and Bright's disease. Doan's Kidney Pills permanently cure all of these disorders. Here's proof of it in a Maysville woman's words: Mrs. John Burns of Maysville, Ky., says: "I value Doan's Kidney Pills just as highly today as when I gave a statement for publication in their favor some years ago. I was subject to attacks of kidney trouble and at times the pain in my back was so acute that I was confined to my bed for days. The prompt relief I received from Doan's Kidney Pills, procured at J. J. Wood & Son's Drugstore, was very gratifying, and during the years which have since elapsed, I have had no serious return of kidney trouble. On some occasions, I have felt a slight backache, but a few doses of this valuable remedy have never failed to ward off any bad attack."

Wells bought a 320-acre farm 1 1/2 miles from Lipscomb and Mr. Newell is figuring on two sections of land containing 1,280 acres. Both gentlemen expect to locate permanently in Texas. Mr. Harvey Wells is also in receipt of a letter from Mr. P. L. Disher, formerly of Mason county, an excerpt of which follows: "I have located in Texas. I find this country is alright and I like it fine. Don't think anyone would make a mistake by locating here. The land is fine to cultivate, plenty of good water, and everything that heart could wish."

Yesterday at the ball park the Maysville High Schools walloped the Teddy Bears by a score of 19 to 7. The Teddies worked hard but were outclassed at all points.

A WEAK WOMAN AND HER STORY

In Floral, Ark., Lives a Lady Who Feels That Her Strength Was Restored by Cardui.

Floral, Ark.—"I must speak a good word for Cardui," writes Mrs. Viola Baker, of this place.

"About a month ago I was in very bad health. I was so weak and nervous that I was not able to do my housework.

"My husband bought me one bottle of Cardui, the woman's tonic. I took it according to directions and now I am in good health.

"I think Cardui is a fine tonic for weak women."

And you are not the only lady who thinks so, Mrs. Baker.

Thousands, like you, have written to tell of the wonderful benefit Cardui has been to them.

Cardui contains no minerals, or other powerful drugs. It contains no glycerin or other mawkish-tasting ingredients.

It is just a pure, natural extract, of natural vegetable herbs, that have been found to regulate the womanly functions and strengthen the female system.

All druggists sell Cardui. See yours about it.

When You Think

Of the pain which many women experience with every month it makes the gentleness and kindness always associated with womanhood seem to be almost a miracle. While in general no woman rebels against what she regards as a natural necessity there is no woman who would not gladly be free from this recurring period of pain.

Dr. Pierce's Favorite Prescription makes weak women strong and sick women well, and gives them freedom from pain. It establishes regularity, subdues inflammation, heals ulceration and cures female weakness.

Sick women are invited to consult Dr. Pierce by letter, free. All correspondence strictly private and sacredly confidential. Write without fear and without fee to World's Dispensary Medical Association, R. V. Pierce, M. D., President, Buffalo, N. Y.

If you want a book that tells all about woman's diseases, and how to cure them at home, send 21 one-cent stamps to Dr. Pierce to pay cost of mailing only, and he will send you a free copy of his great thousand-page illustrated Common Sense Medical Adviser—revised, up-to-date edition, in paper covers. In handsome cloth-binding, 31 stamps.

Next Monday is Decoration Day.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

"I tried all kinds of blood remedies which failed to do me any good, but I have found the right thing at last. My face was full of pimples and black-heads. After taking Cascarets they all left. I am continuing the use of them and recommending them to my friends. I feel fine when I rise in the morning. I hope to have a chance to recommend Cascarets." Fred C. Witten, 76 Elm St., Newark, N. J.
